Prisoners, Careers Education, Career Aspirations and Barriers to Achieving these goals.

- Rhyl Dearden
The TPP is an equity funded program offered by the University of Southern Queensland to all who qualify – those who left School early and want to return to study.

It gives automatic entry to the degree program of choice once pre-requisites are completed successfully.
Careers and Self Management

Career exploration

Self exploration – interests, abilities, preferences.

Study skills – timetabling, prioritising, organizing, learning techniques, learning style.

Academic writing; research skills.

All the above topics are covered in the TPP.
Systems Framework Theory

- Wendy Patton and
- Mary McMahan - 1999

Holland Hexagon of Types

- I
- A
- S
- R
- E
- C

Actors, artists, PR, entertainers, Creative, enterprising and social.
SDS Types

- SDS Types
- One Type
- Two Types
- Three Types
Active and Non-active Students enrolled in undergraduate programs.
Stand alone master in secure location.

Data-less Computer, monitor, keyboard & mouse and smartcard
NIACE is contracted to teach computer skills to 250 000 UK prisoners. It is done via on-line access. A monitoring program oversees every key stroke – not one breach of the system has occurred.
